CLUB CHARTER

1.NAME

The club as a whole shall be called Ashington FC and will be affiliated with Sussex FA as such. For historical reasons, bank accounts will be held in the name of Ashington Cougars FC. Some teams may play under nicknames such as Ashington Angels for some girls' teams, Ashington Cougars for some junior mixed teams and Ashington Swifts for the women's teams

2.AIMS AND OBJECTIVES

The object of the club is to provide facilities for, and promote participation in, the sport of football across the local community.

3.STATUS OF RULES

The Club Rules consist of this Club Charter, the Club Safeguarding Children Policy, the Club Data Protection Policy (GDPR), the Club Privacy Notice, the Club Safe Recruitment Policy, the Club Anti Bullying Policy, the Club Whistle-blowing Policy, the Club Complaints Procedure, Club Codes of Conduct, and the Club Equality Policy. These documents together form a binding agreement between each member of the Club. Changes to the Club Charter and supporting documents (as listed above) can only be proposed/approved at a General Meeting (Annual General Meeting - AGM or Special General Meeting - SGM) and must be circulated to all members in advance of the meeting.

4.RULES & REGULATIONS

- a) The Club shall have the status of an Affiliated Member Club of The Football Association. The Rules & Regulations of The Football Association Limited, and any League or Competition to which the Club is affiliated for the time being, shall be deemed to be incorporated into the Club Rules.
- b) The club will also abide by The Football Association's Child Protection Policies and Procedures, Codes of Conduct and the Equal Opportunities and Anti-Discrimination Policy. All club members are made aware of these policies and required to confirm that they have read and understood them.

5.CLUB MEMBERSHIP

- a) The Members of the Club shall be those persons aged 18+ listed as registered with the club.
- b) Methods of Registration are:
 - i. Registered as a player aged 18+ on the FA Club Portal

CLUB CHARTER

- ii. Registered on the FA Club Portal as parent/carer of a player aged under 18.
 - iii. Registered as a player on the FA Just Play events platform
 - iv. Registered on the FA Wildcats events platform as parent/carer of a player.
- c) Membership of the Club shall be open to all persons irrespective of ethnicity, nationality, sexual orientation, religion or beliefs; or age, sex or disability except as a necessary consequence of the requirements of football as a particular sport.
- d) The Club may refuse membership or expel from membership only for good and sufficient cause, such as conduct or character likely to bring the Club or Sport into disrepute. Appeal against such a decision may be made to the club members and decided by a majority vote.
- e) In the event of a member leaving the club, they will be 'deregistered' (i.e. unlinked from the Ashington FC) on the FA Club Portal. For Just Play and Wildcats, the FA Events Platform retains all details even after players have left. The club therefore maintains a separate register of players/parents and carers who are no longer attending Just Play or Wildcats and are thereby no longer deemed as being members of the club.
- f) Once players leave the club, all club registration documents are returned or destroyed.
- g) The Football Association and parent County Association may, from time to time, access player and parent/carer information on the Club Portal and Events platforms. The data protection policies of FA systems can be viewed on their web sites.

6.MEMBERSHIP FEES

- a) Membership Fees will be payable for each 'player-member'.
- b) Fees shall be set at the Annual General Meeting and can only be changed during the year via a Special General Meeting. Fees will normally be set on the basis of an annual fee broken down into two half payments; half to be charged on registration (usually July) and the remainder charged at a mid point in the season (usually January).
- c) Fees may be waived at the discretion of the Committee where it is felt that a player may have real difficulties in paying and would otherwise be prevented from participating in football
- d) Wildcats and Just Play sessions are 'pay-as-you-go'. Per person prices may change during the season and are set based on facility hire costs and numbers

attending to ensure that, on average, there is a break even. Session may be subsidised by grant money. Session fees will not exceed the maximum set by The FA for these events.

7. LEAVING THE CLUB

- a) A member shall cease to be a member of the Club if he/she gives notice to a member of the Club Committee that they are leaving. This will normally be simply because the player no longer plays for the Club.
- b) A member whose membership fee or further subscription is more than 2 months in arrears shall be deemed to have left, unless special arrangements have been agreed by the committee.
- c) In exceptional circumstances, the Club Committee shall have the power to expel a member when, in their opinion, it would not be in the interests of the Club for them to remain a member.
- d) A member who resigns or is expelled shall not be entitled to claim any, or a share of any, of the Club Property. Subs payments are usually none refundable for the current half year as the club has already committed expenditure based on the player's membership of the team.

In no case should any such decision result in expenditure of more than £500 in any one purchase or any decision be taken which has a significant impact on the club.
- n) In addition, any member of the Club Committee may call a meeting of the Club Committee by giving not less than seven days' notice to all members of the Club Committee.
- o) Decisions of the Club Committee at meetings shall be entered into the Minute Book of the Club to be maintained by the Club Secretary or Minutes Secretary.

- b) The treasurer shall have the responsibility of managing transactions on the club’s accounts using online banking. Funds in the general account will be held to around £1,000 of working capital and a full reconciliation will be presented at least every three months.
- c) For the club’s savings account, designated account signatories shall be the Club Chairperson, the Club Secretary and the Treasurer. The Club Treasurer has the authority to move money between the current and savings accounts using on-line banking in order to maximize interest payments and minimize costs whilst ensuring that the current account is always in credit.
- d) The income and assets of the Club (the Club Property) shall be applied only in furtherance of the objects of the Club. No surpluses or assets will be distributed to members or third parties.
- e) Managers are responsible for ensuring that subs are collected and paid into the bank.
- f) Player subs should cover all running costs of the club but not generate surplus funds.
- g) Subs should be appropriate to the costs incurred by each team based on age groups. There are three age ranges:
 - i. U6 & U7s - do not have league costs, do not train at floodlit winter venues and generally play fewer matches than older teams. As a result, and to encourage participation at this start up stage, subs are set at a minimum and may not cover costs.
 - ii. Mini soccer teams (U8 - U10) - subs to cover costs
 - iii. Youth teams (U11 to U16) - subs to cover costs which tend to be higher because of payments for League referees.
- h) Central costs should be apportioned equally across mini soccer and youth teams e.g. training costs.
- i) Special projects should be paid for by fundraising activities and grants.
- j) A minimum £3,000 credit balance, over and above monies needed for working capital, is to be retained to ensure the survival of the club in the event of any unforeseen expenses. This amount will be reviewed every year.
- k) The Club Committee shall have power to authorise the payment of expenses to any member of the Club and to any other person or persons for services rendered to the Club.

- b) The dissolution shall take effect from the date of the resolution and the members of the Club Committee shall be responsible for the winding up of the assets and liabilities of the Club.
- c) Any surplus assets remaining after the discharge of the debts and liabilities of the Club shall be utilised for the benefit of the game and shall be given or transferred to another registered CASC, a registered charity or the sports governing body for use by them in a related community sport to be agreed and voted upon at the General Meeting where dissolution is approved.
