# PRIVACY NOTICE

## HOW WE USE YOUR DATA

In order to run the Ashington football teams, we need to ask for personal details about you and about your child.

We hold this data on paper (our registration forms) and electronically (on spreadsheets).

We also share some of the data with the following third parties:

1. **The FA**
2. **Horsham & District Youth Football League (H&DYFL)** and the **Sussex County Women's and Girls' Football League (SCWGFL)**.

### **1. The FA**

All players who want to participate in competitive football need to be registered with The FA.

Competitive football means Leagues, Cups and Tournaments sanctioned by The FA.

We play in the **Horsham & District Youth Football League (H&DYFL)** and in the **Sussex County Women's and Girls' Football League (SCWGFL)**. Both of these are sanctioned by The FA therefore all our players need to be registered with The FA.

We take basic details from our registration form (name and date of birth) and provide it to The FA via their web application '**Whole Game/Player Portal**'. Once registered with The FA via Whole Game each player is given a unique FA number (FAN).

This FAN stays with a player throughout their football career, be it as a player, a volunteer or as a coach. When players leave Ashington we 'detach' them from the club but their details remain on the FA database.

If a player wants to be removed from the FA database they (or their parent/guardian if under 18) need to contact The FA directly.

### **2. Horsham & District Youth Football League and Sussex County Women's and Girls' Football League**

The Horsham & District Youth Football League (H&DYFL) and the Sussex County Women's and Girls' Football League (SCWGFL) run the league and cup competitions that we play in. In order to administer the league they need to know the names of the players available in each squad. They do this via another FA web site and database called '**Full Time**'. Data from Whole Game is pulled across in to Full Time each year. H&DYFL and SCWGFL are able to see this data but not change it. At the end of the year, the data is deleted from Full Time and a new set is pulled across from Whole Game.
